

## Food Collection Weekend

Our St. Vincent de Paul Food Pantry is very busy. We thank you, dear parishioners, in the name of St. Vincent de Paul for your continuous donations. Your generosity makes a difference in our community and brings peace to homes. For our **June 3/4** food collection weekend, we would like to suggest donations of **juice, canned fruit, healthy snacks for children, spaghetti sauce, tuna, and crackers**. May we also request bottles of **salad dressing** (all varieties), to be used with the harvest from our SVdP community garden plots. Donations may be left anytime in the donation boxes at the doors of the church. Friends, you turn your concern into action by your donations.
