

Baby Bottle Campaign for Life

Sponsored by St. Mary's Respect Life Committee, Rock Youth Ministry, and Religious Education

Fill a Bottle, Save a Life!

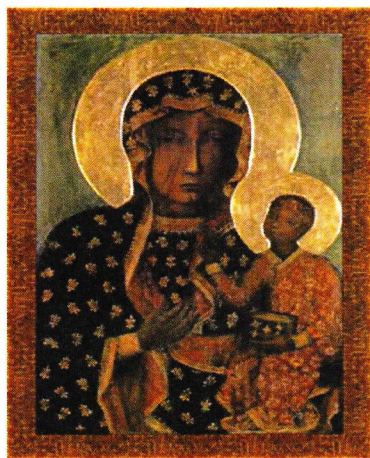

On the weekend of January 26-27, St. Mary Parish will be hosting a baby bottle fundraising drive to support the Abundant Hope Pregnancy Resource Center in Attleboro, Massachusetts.

The **Abundant Hope Pregnancy Resource Center** serves area communities by providing life-affirming support to women of all ages who find themselves in a crisis pregnancy situation. Services include free pregnancy testing, counseling, baby supplies, adoption services along with love and support of the Christian community.

We need your Help! Our organization receives no government funding and is dependent on donations from people like you in parishes throughout the Commonwealth. ***Get your entire family involved in this important pro-life effort in helping women care for their babies!***

So please pickup a baby bottle as you leave church today, fill it with your spare change, cash or even a check and return it to the church by the weekend of March 1-2. There will be a box downstairs in the Sacred Heart Hall outside the conference room where bottles can be returned. Additional empty bottles can also be picked up here as well at any time during the week.
