

Eat Out ... Take Out ... Help Out

Many folks will recognize the **Franklin Interfaith Council**, as the collective of most of our local houses of worship. Members representing many of the church communities formed an **Interfaith Food Security Team**.

The question was: "How to help the Franklin Food Pantry and the local restaurants both of which are being challenged by this pandemic?"

Project Envoy was conceived. Project Envoy will advertise participation for participating restaurants. Folks can eat out or take out. A portion of the meal will help the Franklin Food Pantry for a win-win. The **[Franklin Food Pantry](#)** has a calendar that identifies the day each restaurant is participating.

Members of the newly formed **Franklin Interfaith Food Security Team** have contacted all locally owned restaurants and establishments in Franklin. At the moment, Project Envoy has confirmed restaurants enrolled, there are conversations with others underway.

Project Envoy is expected to formally launch on February 1. You don't need to wait until then. You can eat out/take out and help out now.

As of February, the following restaurants are participating: [Rome](#), [Acapulcos](#), [Intermission Café](#), [Franklin Central Pizza](#), [George's Pizza](#), [Dacey's Market & Deli](#), [Santa Fe](#), [Rhapsody's Victorian Coffee House](#), [King Street Café](#), [Spruce Pond Creamery](#), and [Franklin Pizza and Deli](#). Patrons can visit [The Franklin Food Pantry site](#) each day to learn which restaurants are participating on what day as well as follow [social media](#) channels.

The Food Security Team members represent: the Church of Jesus Christ of the Latter Day Saints, the First Universalist Society in Franklin, the Franklin Federated Church, St. John's Episcopal, St. Mary Parish, and Temple Etz Chaim.
